

Plenary Speakers

Ray Dolan (London, UK)

Benedikt Grothe (Martinsried, Germany)

Mathias Jucker (Tübingen, Germany)

Istvan Mody (Los Angeles, USA)

Welcome to Berlin Sessions

New research groups in Berlin will present their work in an oral communication.

Call for the 2012 Young Investigator Presentations

Berlin-based scientists are invited to apply for one of the free oral communications. The application should include a copy of the abstract, a short CV and the list of publications.

Poster Presentations

All Berlin neuroscience students, postdocs, and group leaders are welcome to present their posters.

Poster Prize

Prizes will be awarded for the best poster presentations. Criteria for the selection are the scientific content and the form of presentation.
